and what have you

by BOB CRAIG

If you see a bunch of young men running around like they are lost they are probably Jaycees trying to figure out what they need to do next in getting ready for their rodeo next week.

They hope to have everything in readiness by the time the show starts next week.

If the Riding Club, made up of people interested in horses and such, think they had a hard time getting ready for their show they should feel sorry for the Jaycees who hardly know one end of an animal from the other.

With all of the rain we have had this year you can expect several stories to make the rounds about the heavy moisture. One I heard the other day was that one farmer saw a friend in town after one of our many rains and asked him how much rain he had the night before and when he answered four inches, the first farmer oh, I had a BETTER rain then you did I only had TWO inches.

The Neinda Philosopher talked about the national debt ceiling the other day and it and temporary taxes seem to be treated by politicians in the same light.

Officially speaking, the permanent ceiling on the national debt is set at \$285 billion. But this has very small practical significance. Congress, because of almost constant deficits in recent years, has voted for "temporary" increases. The current boost of this nature will allow a debt of \$298 billion. And with the Berlin crisis it will more than likely be increased again.

What's the answer? So far as "temporary" taxes are concerned, it lies in a concerted public demand that they be abandoned on schedule. So far as the debt is concerned, it lies in drastic cuts in all nonessential spending—particularly that of the welfare state variety—that will make possible gradual debt reduction, along with a full stop to allegedly "temporary" increases.

Its either this or an increase in taxes to pay for all of the extra spending. If we can't operate out of debt during as good of times as there has been since World War II, when will we ever be able to pay off this debt.

The "temporary" racket has become the greatest double-cross of American citizens in history.

I don't know if when the Bob Cats get brave enough to come up into the farm yards is a sign of anything or not. But Dennis Kelly, who lives 3 miles west of town, had a Cat in town last Thursday that he killed in front of his house with a 30-30.

FARMER MOVED UP TO HEAD BASKETBALL POSITION

Superintendent of Schools, C. F. Cook, announced Wednesday morning that J. A. Vaughn, head track coach here for the past four years, has resigned to accept the head football coaching post at Seymour, Vaughn, a graduate of Hardin Simmons University, also served as line coach for the Pied Pipers.

Before coming to Hamlin, Vaughn was track coach at Dalhart, where he took a team to the state meet.

Aside from coaching, he was a science teacher in Hamlin High.

His latest activities consisted of a school sponsored boys' recreational program, of which he was co-director.

Head coach D. C. Andrews announced that he is taking applications now for a replacement for Vaughn.

The boys' head basketball coaching job, vacated by Neil Laminack, has been awarded to Ed Farmer, girls' cage mentor here for the past two years. Sherrill Bottoms, newly appointed junior high coach, has been moved up to the

freshman coaching job to fill the spot Farmer sustained last year. The junior high post is now vacant and applications are to be viewed. C. F. Cook, superintendent of schools, disclosed the changes Monday.

Farmer, a graduate of McMurry College, came here in '59 after guiding the Clyde basketball team to the state tournament in Austin. During his first year as girls' coach in Hamlin, his team took top honors in the Hawley tournament, and placed high in three others. Last year, the team was invited to the Hardin Simmons Girls' Invitational Tournament, the top girls' basketball tournament in west Texas. His recent undertaking was a summer recreation program for girls in the High School gymnasium. He was director of the program sponsored by the local Jaycees in cooperation with the school. On July 13, he was invited to the Hardin Simmons Girls' Basketball Clinic and took a very important part in the program.

Aside from coaching, Farmer is a math major and teaches Algebra in Hamlin High School.

"Farmer will coach both the boys' and girls' basketball teams this year only. Next year he will devote his time entirely to boys' basketball," Mr. Cook stated.

Bottoms, hired only this summer as junior high coach, will take over Farmer's recent duties as freshman football and basketball coach. He is from Grand Saline where he served as assistant high school football coach.

Fort Worth Firm Gets Contract for Street Repairing

The construction firm of Rowland-Robbins and Baker of Fort Worth was awarded the contract for seal coating and repairing of 15 to 20 blocks of paving in Hamlin.

Bids for the job were opened by the City Council July 18 and the contracts were granted at a meeting held Monday afternoon. Work is scheduled to begin within the next 10 days, according to information received from the City Secretary, Mrs. H. M. Barrow.

Open House Set for First Methodist Parsonage Sunday

Open house will be held at the parsonage of the First Methodist Church Sunday from 3 to 5 p.m.

The house has recently been moved to the present location, 210 N. W. Ave. A, and has been completely remodeled.

The parsonage family, the Rev. and Mrs. Edmund Robb and children, extend a cordial invitation to the public to come by and see their new home.

NEW BIRTHS

Mr. and Mrs. Bob Terry of Roby are parents of a new boy, Kenneth Murl. He was born July 30 and weighed 6 lbs. 8 ozs.

A boy was born to Mr. and Mrs. Murl Don Smith, July 29. He weighed 9 lbs. and was named Joseph Daniel.

A girl, Melinda Sue, was born to Mr. and Mrs. Douglass Eugene Cory on July 30. She weighed 8 lbs. 1 oz.

Mr. and Mrs. L. M. Neatherlin of Aspermont are the parents of a new boy, Lonnie Dale. He was born July 31 and weighed 7 lbs. 12 oz.

Albert Johnson, 637 N. W. 7, I. J. Starr, East Hamlin, Fate Mosley, East Hamlin.

Eleven From First Baptist Attend RA Camp at Lueders

Eleven members of the Junior Royal Ambassadors, ages 9 through 12 years, of the First Baptist Church attended camp at Lueders Baptist Encampment from July 24 through July 27. The camp was sponsored by the District Seventeen Brotherhood.

Along with the worship and meditation the boys received special instruction on "What Royal Ambassadors Learn." Dr. W. H. Jackson, missionary to Japan, held question and answer periods and there was a planned program of recreation, led by the Rev. Jim Hooten of Cisco.

The camp director was the Rev. M. D. Rexrode, pastor of the First Baptist Church at Haskell, and camp pastor, was the Rev. Glenn Roenfeldt of Roscoe.

Those attending from the local church were Mike Murphree, Jimmy Price, Sammy Ferguson, Joey Duncan, Jimmy Hastings, Milton Davis, Johnny Snapp, Melbourne Newland, Regional Wells, James Knabel and LeRoy Kirby. S. L. Tate, educational director, and Charles Absher, R. A. Counselor, accompanied the group.

County Agents To Attend Meeting

Jones County Extension Agents, Mary Y. Newberry and Kirby Clayton have been selected by the District Agents from Extension District III to participate in a Program Building Workshop at College Station on August 22, 23 and 24.

The two Jones County Extension Agents will meet with the Extension Headquarters staff, District Agents, Specialists and other representatives from over the State of Texas to formulate plans to train Extension Agents in the State of Texas in Setting up Programs for their home counties.

Tickets on Sale For Jaycee Rodeo

Reserved seat tickets are now on sale for the Hamlin Jaycee Amateur Rodeo to be held next Thursday, Friday and Saturday, August 10-12. They may be purchased from Joe Ford at the F and M National Bank and are 50 cents, this does not include general admission which is a \$1.00 for

adults and 50 cents for children under 12.

Reserved parking spaces along the east fence are also on sale at \$1.00 per night.

Dewey Nunley, rodeo secretary, said Wednesday that many contestants have made plans to compete in the show. Entry deadline is 6 p.m. Wednesday, August 9.

Arrangements have been made with the Tri-County Cutting Horse Association to hold a cutting contest here Saturday with the top four horses working during the final show Saturday night.

W. A. Hawkins, arena director reports that he has lined up the men to work during the show and expects to have a fast show for the fans.

The rodeo will open Thursday with a downtown parade. Riding clubs from over West Texas have been invited to

take part and trophies will be awarded to the top three.

Knoonesman and Helmes of Snyder and Rotan will furnish the bucking stock for the show and if the performance of their stock in other rodeos over the area is any indication the contestants will have a rough time here.

Really Eating High Off the Hog—

"Really eating high off the hog" is Martha King, local Hamlin resident, who dropped by Joe Hudspeth's Tire and Appliance and took a guess at the hog that was to be given away at the end of Hudspeth's Hog Wild Sale. Her guess was exactly what the hog weighed, 95 pounds.

Briscoes Take 1st At Bridge Meeting

Mr. and Mrs. F. O. Briscoe were the first place winners at the meeting of the Open Duplicate Bridge Club, held Saturday evening.

Placing second were Mr. and Mrs. Dan Gallagher and third, Mr. and Mrs. Starr Inzer.

The next meeting will be August 5 at 7:15 p.m. in Bunnie's Drive In.

Area PCAs Plan Meeting in Abilene

Executives of six Production Associations, covering a 52 county area of West Texas, will gather in Abilene August 7-8 for a regional credit conference sponsored by the Federal Intermediate Credit Bank of Houston.

Current problems and trends in agricultural credit will be studied and discussed by managers and directors of the six-homed-owned and operated agricultural credit organizations, with particular emphasis to be placed on the rising trend of problem loans.

W. N. Stokes Jr., president of the Houston credit bank will be in charge of the meeting, to be held beginning at 9 a.m., Monday, August 7, in the Wooten Hotel. Other bank representatives who will lead discussions will be Assistant Vice President Ellis Lanier and Secretary J. F. McCullar.

Associations expected to attend include Coleman, Stamford, Stephenville, Sweetwater, Texas and Wichita Falls. The associations represent more than 5,000 farmer, rancher and dairymen stockholders in the 52-county area.

Mrs. W. L. Hunter Sr. returned home Sunday following a three weeks visit with her daughter, Mrs. T. L. Thomas, and family in Amarillo.

Mr. and Mrs. T. H. Mason spent the week end in Throckmorton visiting their daughter and family, Mr. and Mrs. J. C. Brown.

SEMI-PROS TAKE THIRD PLACE IN LUBBOCK TOURNAMENT

The young Hamlin Semi-Pro baseball team battled their way into a third place finish as they took three victories and suffered two defeats in the Northern National Double Elimination Baseball Tournament at Lubbock, July 24-30.

The Lubbock "Bryant's" Hubbers won the meet as they downed the Pampa Colts, who had earlier defeated Hamlin in the opener, 3-1.

After losing the opener, the Hamlin crew blasted Seagraves, 7-1; the Lubbock Jets, 2-0; and the Spearman Giants, 2-0. In the semifinals, they lost to the Lubbock Rangers, 1960 state champs, in an extra inning game, 8-3.

The Jets collected only two singles and a double off winning pitcher Tom Cook. Cook was in complete control as he struck out 6 opposing hitters and issued not one free pass. Dink Whisenant pitched the locals over the Spearman Giants as he yielded but one hit, a single in the third inning. The Hamlin players collected two runs on six hits and committed but 1 error as they advanced to the semifinals.

Pacing Hamlin at bat was Morris Warshaw with nine hits in fifteen trips to the plate. Bubba Edwards and Tom Cook also took honors in hitting.

W. D. Adair, manager, and Bennie Ford, coach, reported that the team finished the season with a 12-6 won-lost record. Their appreciation is extended to all the merchants of Hamlin who made their trip to the Lubbock tourney possible.

The alarm was answered by the Hamlin Volunteer Fire Department.

McClung said fire is believed to have begun when scattered pieces of burning lint blew onto the roof.

To Attend Retreat

John C. Bryant, First Methodist Church, will attend the 15th Annual Laymen's Retreat for the Northwest Texas Conference of the Methodist Church. The retreat will be held at Ceta Canyon, August 4-6.

Attend Farm Meet

Attending the Texas Farm Bureau Leadership Training Institute at Mineral Wells, July 25-28, were Mr. and Mrs. K. G. Martin, Mr. and Mrs. M. E. Carothers and Mr. and Mrs. Harris Wright. Each received a certificate for completing a minimum of two courses while attending the school.

Heavy Rains Drop City Water Consumption

Rains this year have dumped more moisture on Hamlin and the surrounding area than has been seen in quite some time. Usually the farmers are needing moisture for the cotton at this time of the year, but with some areas having unofficially reported as much as 35 inches of rain they are hoping that the sun will continue to shine.

The official total of moisture for Hamlin, according to Bill Rountree at the City Pump Station, has been thus far this year.

Due to the heavy rains the amount of water used by the residents of Hamlin has been greatly affected. From January through June of 1960 there was a total of 82,294,900 gallons of water used,

according to records at the Pump Station. During the same period of time this year there was 63,333,300 gallons, used which shows a difference of 18,661,600 gallons. The first 20 days of July, 1960, the

city used 10,552,200 gallons while this year during the same time there was 7,341,000 gallons used, giving a difference of 3,211,200 gallons for the month of July only.

Although the rains have been too heavy in some parts for the farmers it has been a boom to the lawns and home gardens in town. It is evident that both have grown better this year and without having to run the sprinklers.

Naturally this would affect the total amount of money received at the City Hall for water consumption. Water receipts last year, according to city records, from January 1 to June 1 were \$37,858.78, while this year for the same period of time it was \$37,192.51, with a difference of \$666.27.

Ladies to Play Aspermont Tonight

The Hamlin Ladies' Softball team will play Aspermont Thursday at 7:30 p.m. in the Little League Park.

This will be the first game for the team to play under lights and they urge everyone to come and support the team.

The Abilene & Southern Ry. has its old agent back and it looks like pre-war times down about the depot. Mr. W. H. Hill was checked in last Saturday, taking the place of Mr. Beck who has been agent for several months. Mr. Hill was agent for the A & S when the government took charge. Wednesday night while A. S. Joiner and family were at the meeting at the Abbie church, their residence which was on the Feilder farm, burned to the ground with complete loss of all household goods. Their meat house also burned with all the meat and 40 gallons of lard. No one seems to know how the fire originated. Thursday four good neighbors began a contribution canvas and received liberal help in both country and town. It is against the usual practice to publish letters that have no name or an assumed name, but in view of the fact the K.K.K. is getting some notoriety lately, the Herald will let you see how one Mr. KKK feels about a certain law violation that seems general in every part of the nation. "HAMLIN HERALD. Give notice that the bootleggers of Hamlin must go. If the Law can't reach them we can. Mr. Bootlegger, clear out. We mean business." KKK.

Misses Constance Teague and Virginia Sue Flowers entertained last Thursday evening with a picnic at Hamlin Lake honoring Miss Jean McCain, of Bryan and her guests. Misses Mildred Hood and Doretha Colwell of Stamford. About ten couples met at the home of Mr. and Mrs. D. O. Sauls on Union Avenue and motored to the lake where a picnic supper was served. The group was accompanied by Mr. and Mrs. Sauls, Mrs. Tom Teague and Mrs. Hibbs Mil-sap. Denman Morgan, young insurance man of Hamlin, has accepted a position with a big insurance company as traveling inspector, with about 22 counties in his district. Denman is allowed to make Hamlin his headquarters. This summer as you travel around notice if any town the size of Hamlin has as good and modern theatre as the Ferguson Theatre here. This popular show house has had a "New Face" this week. A very attractive neon sign fronts the building and the darker the night the brighter it stands out. Misses May Gay and Elsie Withers went to the two Centennial Cities to spend three or four days "seeing things" while on their vacation.

J. C. Scott is new minister of the Hamlin Church of Christ. Former superintendent of Haskell Schools, Scott will take the local pulpit place vacated in June by Mardell Lynch, who went to the Colo-

radio City Church of Christ. Resignation of H. P. McLaughlin as principal of the Hamlin High School was announced this week by the office of Superintendent of Schools I. R. Hutchingson. Hamlin regions maize crop is of the unknown quantity nowadays. And the lack of rain during the past 30 days is the cause of it all. Average maize in the territory is about three feet high, just beginning to head, but suffering terribly for want of moisture to develop the head and produce the grain. Only four cars of maize have been shipped from Hamlin this year. It was from early crops that developed on early spring rains. One hundred and ninety-seven cars were shipped from here last season. Plainview Oilers, girls' softball team from the community east of Hamlin, will be entered in the Texas division tournament of the American Softball Association. Girls scheduled to make the jaunt to the tournament are Fayrene Weaver, Gladys Carter, Dorothy Mae Jenkins, Doty Travis, Mickey Anglin, Wanda Ford, Wendy Carlton, Tuby Scarborough, Lela Mae Brigham, Bobbie Ruth Brown and Opal Dunnam. George Ashburn and Hoyt Goodwin are managers of the group. Chick Hewitt will be chaperone for the girls.

Jake Lawson, manager of the Lone Star Gas Company and a newcomer to the golfing wars in Hamlin, is the reigning champion after his four and three victory over John F. Green. The Ideal Steam Laundry had some unsolicited business some time Friday night and it cost Harry Carmichael in the neighbor of \$35.00 to complete the transaction. Thieves entered the laundry through a back window, after cutting a screen, and it was evident that they had definite destination after forcing entry. A quick survey of retail establishments in Hamlin this week reveals that they will maintain their price of five cents for bottled soft drinks. The beautiful home of Mr. and Mrs. Frank Allen in McCaulley was the setting Sunday afternoon for the golden wedding anniversary celebration of Mr. and Mrs. Andrew Bates of Hamlin, which climaxed 50 years of wedded bliss for the couple, a hope so many wish for but few ever realize. "If your idea of a good time is roughing it, you ought to be an Explorer Scout and take a canoe expedition to Canada." This was the opinion of Robert Bonner, son of Harold Bonner, who returned home last week end from an eight day trip in the open wilds of the Northern United States and into Canada. Building construction for the new Farmers Coop Gin in Southeast part of town has reached a virtual stage of completion. Manager Watts Fletcher has divulged that it will be of the 90-saw type with four stands employed.

Foundation has been run for a new concrete and sheet steel warehouse at the Western Compress & Storage Co. plant, according to R. H. McCurdy, manager. After a little more than 10 years in Hamlin, during which time he has been publisher of The Herald, June Jones has moved with his family to Abilene, where he has established a printing plant. A boy for Mr. and Mrs. Curtis Scifres of Hamlin was born July 27 at 11:10 a.m. Tipping the scales at eight pounds five ounces he declared Daniel Ray would suit him for a label. Bids called for on Hamlin-to-Aspermont Highway project. Location of the Western Union telegraph office in the Hamlin Shoe Service building was completed this week by company representatives. The office formerly had been located at the Hamlin Flower Shop. Jerry L. Williams, son of Mr. and Mrs. R. P. Williams, is among the 24 students at the Texas Tech College agriculture division at Lubbock who are candidates for bachelors' degrees at the end of the summer semester.

SENATE WORKS ON TAX

—Senate's unenthusiastic attitude toward the House-passed tax bill may foreshadow another end-of-the-session deadlock between the two houses. Even if all senators heartily approved the House bill, they would still have to expand it. State Comptroller Robert Calvert, whose ward is final on revenue forecasts, estimates the House bill will raise only \$254,000,000. This is over \$100,000,000 short of anticipated need. At the time it was passed, House sponsors thought it would bring in about \$328,000,000. House measure would raise money from these sources:

1. A 2 per cent sales tax on all power-driven objects, construction materials, utility services and other items costing more than \$5. (Bulk of expected revenue would be from this provision.)
2. A minimum levy of one cent per thousand cubic feet on natural gas. Holders of dedicated reserve contracts would be liable for paying the difference between present gas production taxes and this minimum requirement.
3. A one-third increase in drivers' license fees.
4. A revision in the corporation franchise tax formula to get more taxes from out-of-state corporations operating in Texas.
5. A one per cent transfer (\$12,000,000) from the Permanent School Fund to the Available School Fund.
6. A bookkeeping change to transfer to the schools in August the portion of gasoline tax money that is slated for school purposes.

BUDGET IN CONFERENCE

—House and Senate general appropriations bills, each calling for spending in the neighborhood of \$2,500,000,000, are in the hands of a joint conference committee. House bill calls for \$16,000,000 more than the Senate version. In addition to what it already had passed, the House instructed its conference committee to hold fast on provisions for a 40-hour week for state employees. Money already was in the House bill to put state hospital employees on a 40-hour week. To this, the House added in its committee instructions, a 40-hour week for prison system and Department of Public Safety employees. House conferees are Rep. James Cotton of Weatherford, B. H. Dewey of Bryan, J. W. Buchanan of Dumas, Malcolm McGregor of El Paso and Bill Hollowell of Gard Saline. Senate committee members are Senators Ray Roberts of McKinney, A. M. Aiken Jr. of Paris, Crawford Martin of Hillsboro, Wardlow Lane of Center and Grady Lazewood of Amarillo. GOVERNOR OPENS GATES—Just when legislators thought they were going into the stretch on the drive to solve fiscal problems, the governor opened up the session to bills on 21 additional subjects. Only subjects listed by the governor may be considered in a special session. Daniel opened the door to legislation on unemployment compensation, law enforcement and traffic safety, the election code, Sunday closing laws, municipal annexation and some 15 other subjects. Not included in the list were three bone-in-the-throat issues left over from the regular session: small loan regulation, changes in the auto insurance plan and ceding part of Padre Island to the federal government for a park. Some legislators protested that the avalanche of bills resulting from the governor's broadened call would make it harder than ever to pass a tax program. COST-CUTTING PLAN—In view of the House's money-finding problems, Rep. Charles Ballman introduced a measure designed to lop \$97,000,000 off the state's revenue needs for the next two years. Ballman is chairman of the House revenue and taxation committee. He termed his bill an "economy" measure. But many of its provisions, which are likely to arouse opposition, call for getting more money rather than spending less. Among the bill's provisions: combine the Game and Fish Commission and the State Parks Board; raise tuition for state-supported colleges; pay county superintendents from county, rather than state, funds; finance the Department of Public Safety from state highway funds and put DPS-collected funds into the general fund. INSURANCE HIKE STUDIED — Lawmakers, though they cannot legislate on insurance in this session, are insuring the new, higher auto insurance rates a thorough going over. Conflict began when the State Board of Insurance instituted insurance premiums based on driving records in January, 1960. Many legislators protested effects of the plan during the regular session. Then during the summer the Board ordered an across-the-board increase in auto insurance rates, averaging about 15 per cent. Both House and Senate set up special committees to investigate need for the increase. A rate expert representing the Insurance Board told the House committee that drivers, not the Board, actually determine rates. As proof, he said rates dropped 30 per cent during World War II when drivers knew that if they wrecked a car, they'd be walking for the duration. SPEAKERSHIP CHANGE REJECTED — House voted down a proposal by Rep. W. T. Dungan of McKinney to elect a speaker "by gentlemen's agreement" in November, 1962. Dungan urged that newly-elected representatives meet two months before the session's opening and elect a speaker. This would give the winner time to select committees and be ready for business at the start of the session. Objectors said that since this is not provided in the constitution, the results would not be binding. More likely, they said, that the two months interval would be spent in trying to change votes and get a different speaker elected when the House actually convened. Long-range goal of the reform advocates is a constitutional amendment to allow advance election of the speaker. Senate doesn't have this.

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 probably, is misconstruing the matter he's discussing this week. It's not the first time. Dear Editor:

Whenever a city gets a certain size, say big enough to have uniformed policemen and one-way streets, the next step naturally is what's called zoning, which, as I understand it, gives the city the right to decide what sort of building can be put up in any given area. This idea started out I think to keep livery stables from going up next door to ice cream parlors and saloons next to churches, and is now used to keep supermarkets from invading residential sections, junk yards away from city parks, etc. What brought this up was an article I read in a newspaper clipping somebody sent me through the mail, reporting a government official in Washington has demanded that this country now needs a nationwide zoning system to prevent further losses of America's agriculturally productive lands. According to him, about a million acres of productive land are being taken for such things as highways, airports and housing projects every year, and he thinks all the land ought to be zoned so this thing can be headed off. At first I thought this was a good idea, anybody can figure that a million acres a year, if kept up very long, would eliminate farming and therefore eating, although you can say this for it, it certainly would solve the farm problem. But if Washington gets the right to decide which land can be used for a housing project, which land has to stay in cultivation, it wouldn't be far to the point where it could decide not only which land has to stay in cultivation, but how it should be cultivated, or even worse, how often. This is where I draw the line. If city people want to give their city government the right to decide whether you can open up a T.V. repair shop

in your garage or a beauty shop in your spare room, that's entirely their business, but the last thing I want is Washington zoning this Johnson grass farm and telling me I can't graze cows in my front yard or that my propped up fences and sagging gates don't meet the nationwide zoning standards. Yours faithfully, J. A.

EASY TO ENTER—Simply have your child's photograph taken by WINSTON B. LUCAS PHOTOGRAPHER at NO COST to you. They will show proofs from which you may choose the pose you wish entered in the contest and your child is automatically entered; and at this time you may order photographs for gifts or keepsakes if you wish. (Postage and handling 25c) but this is entirely up to you. WINSTON B. LUCAS, of Irving, an expert child photographer, will be here to take pictures, with all the necessary equipment to take nice portraits for this exciting event. There is no age limit to this contest — even the tiniest tots enjoy being photographed by our photographer.

'GLOBE TROTTERS' RETURN FROM 7,000 MILE SCENIC TRIP

The "Globe Trotters," Mmes. A. A. (Nettie) Hackley, John Ed (Winnie) Day, R. D. (Tennie) Moore, Joe (Johnnie) McCrary, Paul (Adaline) Fraser of Kerrville, and Martin (LaVerne) McCain of Houston, returned with glowing reports of their 7,000 mile trip on a chartered Scenic-Cruiser bus. They visited 20 national parks and monuments, traveled through 11 states and two provinces in Canada on the Wilson Travel Club tour.

According to Johnnie McCrary, Hamlin was really put on the map by this group, but the nicest thing about the trip was seeing Adell Dixon and Mrs. Ed Bailey waiting to meet the group in Snyder and bring them safely home to "good old Hamlin."

A lady from Houston on the tour composed the following poem about the Hamlin group.

On the Wilson Tour of '61,
We had a group that were lots of fun.

Winnie, Tennie, Johnnie and Nettie
Were all good friends from the same little old city.

But they were not "clannish,"
They mixed with the crowd,
And because now they are
Our Friends
We are real proud.

They have different hobbies
Which makes it quite nice,
And therefore to new ventures
They're easy to entice.

Tennie is a farmer and rancher we know,
And Winnie likes to watch the stock market grow;
Johnnie teaches music, a profession that's grand,
And Nettie is a church worker and lends an ever helping hand.

Now these Gals are leaving us at Snyder today,
And what do you think?—
They're taking Adaline away!

We'll miss them it's true,
But now we must say,
It's been real, real nice
And we bid you a fond, Adieu,
today!

Both Mrs. Fraser and Mrs. McCain are former residents of Hamlin.

Mrs. Jack Doty of Denver, Colorado, formerly Elsie Wienke of Hamlin, read in the Herald about the group taking the trip, so she met them at the bus station when they arrived in Denver. She took them on a tour of the town during their three hour lay over there.

Lewis Mac Reid To Wed Lubbock Girl in September

Mr. and Mrs. Clarence Thomas of Lubbock are announcing the engagement and approaching marriage of their daughter, Elsie Anita, to Lewis Mac Reid, son of Mr. and Mrs. Burnia Reid of Hamlin.

Miss Thomas graduated from Tom S. Lubbock High School in 1960 and is attending Texas Tech. Reid graduated from Hamlin High School in 1957 and is a senior Agricultural Education major at Texas Tech.

The couple will exchange wedding vows September 2, in Calvary Baptist Church at Lubbock.

and "FRESH-AIR" Gas heat can
save you thousands of dollars!

Pennies saved per hour might not sound important, but check with care — choosing gas heat can literally save you thousands of dollars, just during the life of your mortgage alone. Fuel costs are lower with gas, yet you are more comfortable. You pay less maintenance, because gas heats without moving parts in the heating system. You're spared the costs of installing and running extra heating units for extra-cold days — your gas system is perfectly capable of keeping you cozy always. And you can add summer cooling with gas, thriftily and easily. Why pay more — to get less — than safe, dependable gas gives?
